Get a quote first, by phone or with the form on our website. Then seal your device inside a padded envelope or small box, enclose this form, and post it to us fully insured, or drop it in at the address above, Monday to Friday, 9am to 5:30pm (no appointment needed). There's no collection service.
Send the drive, not the machine: if it's a laptop, PC, Mac or a CCTV/DVR recorder, take the drive out and send just the drive (any computer shop can do this in minutes). Storage soldered to the board (T2 and Apple silicon Macs, soldered laptop flash) is not taken on; if you're not sure which kind you have, ring us first.
Exceptions: a single external drive comes whole, in its enclosure, with its cable and power supply. NAS: send the disks if you can take them out (labelled by bay), otherwise the whole NAS. Fusion Mac? Send both drives, labelled. No phones or tablets.
